Preface ..... iv  
 Editors ..... viii  
 Contributors ..... ix

**I. Osteomyelitis**

**Chapter 1. Haematogenous Osteomyelitis ..... 1**  
*W.J. Gillespie, ChM, FRCS, Ed, FRACS*

**Chapter 2. Adult Chronic Osteomyelitis: An Overview ..... 31**  
*George Cierny, III M.D., Jon T. Mader, M.D.*

**Chapter 3. Microbial Adhesion, Biofilms and the Pathophysiology of Osteomyelitis ..... 49**  
*Anthony G. Gristina, M.D., J.W. Costerton, PhD, Lawrence X. Webb, M.D.*

**Chapter 4. Radionuclide and Other Imaging Procedures in the Diagnosis of Osteomyelitis ..... 71**  
*James A. Scott, M.D., Kenneth A. McKusick, M.D.*

**Chapter 5. Closed Suction Irrigation ..... 87**  
*Mahito Kawashima, M.D., Hiroaki Tamura, M.D., Katsuhiro Takao, M.D.*

**Chapter 6. Hyperbaric Oxygen in the Management of Orthopaedic Infections ..... 117**  
*Michael B. Strauss, M.D., FACS, AAOS*

**Chapter 7. Saucerization and the Papineau Technique ..... 133**  
*Melanie Sanders, M.D., James A. Albright, M.D.*

**Chapter 8. Adapted Elastic External Fixation in the Treatment of Infected Fractures and Pseudarthrosis ..... 149**  
*F. Burny, M.D., C. Rasquin, M.D., F. Schund, M.D.*

**Chapter 9. The Ilizarov Compression-Distraction Osteosynthesis: A Method for Infected Pseudarthrosis and Segmental Bone Defects ..... 163**  
*Massimo Morandi, M.D., Michele Zembo, M.D.*

**Chapter 10. Flap Coverage for Orthopaedic Infections ..... 191**  
*Donald C. Faust, M.D.*

## II. Joint and Soft Tissue Infection

- Chapter 11. **Nongonococcal Bacterial Arthritis** ..... 213  
*Andrew D. Ruthberg, M.D., George Ho, Jr., M.D., FACP*
- Chapter 12. **Gonococcal Arthritis and Reiters Syndrome** ..... 233  
*David H. Martin, M.D.*
- Chapter 13. **Septic Bursitis** ..... 259  
*Bernard Zimmerman III, M.D., George Ho, Jr., M.D., FACP*

## III. Uncommon Infections of Bone

- Chapter 14. **Bone and Joint Tuberculosis**..... 267  
*Paul W. Wright, M.D., Richard J. Wallace, Jr., M.D.*
- Chapter 15. **Environmental (nontuberculous) Mycobacteria**..... 271  
*Paul W. Wright, M.D., Richard J. Wallace, Jr., M.D.*
- Chapter 16. **Mycobacterium Leprae** ..... 277  
*Paul W. Wright, M.D., Richard J. Wallace, Jr., M.D.*
- Chapter 17. **Fungal Synovitis and Osteomyelitis** ..... 283  
*Philip C. Johnson, M.D., George A. Sarosi, M.D.*
- Chapter 18. **Brucellosis** ..... 303  
*Edward J. Young, M.D.*

## IV. Antibiotic Therapy

- Chapter 19. **Microbiologic Evaluation of Patients with Skeletal Infections** ..... 309  
*Charles W. Stratton, M.D.*
- Chapter 20. **Antibiotic: An Overview** ..... 321  
*George H. Karam, M.D.*
- Chapter 21. **Oral Therapy for Orthopaedic Infections in Children and Adults**..... 345  
*Dennis A. Conrad, M.D., Melvin I. Marks, M.D.*
- Chapter 22. **Monitoring Antibiotic Blood Levels in Patients with Skeletal Infections** ..... 361  
*Charles W. Stratton, M.D.*
- Chapter 23. **Surgical Prophylaxis** ..... 369  
*David J. Schurman, M.D., Stuart B. Goodman, M.D.*

<b>Chapter 24. Antibiotic Bone Cement Combinations.....</b>	<b>385</b>
<i>David Seligson, M.D., Klaus Klemm, M.D.</i>	

### **V. Infections in Special Areas**

<b>Chapter 25. Hand and Wrist Infections .....</b>	<b>419</b>
<i>Robert G. Chuinard, M.D.</i>	

<b>Chapter 26. Spine Infections .....</b>	<b>439</b>
<i>Phillip E. Greenbarg, M.D., Frank Eismont, M.D.</i>	

<b>Chapter 27. Infected Prostheses: The Role of Antibiotic Cement. . .</b>	<b>477</b>
<i>H.W. Buchholz, M.D., K. Heinert, M.D., G.W. Foerster, M.D.</i>	

<b>Chapter 28. Gunshot Wounds.....</b>	<b>489</b>
<i>Robert W. Dugas, M.D., Robert D. D'Ambrosia, M.D.</i>	

<b>Chapter 29. Management of Open Fractures and Infections .....</b>	<b>517</b>
<i>Ken Johnson, M.D.</i>	

<b>Index .....</b>	<b>529</b>
