
Contents

1	Patellofemoral Pain, Instability, and Arthritis	1
	Panagiotis G. Ntagiopoulos and David Dejour	
2	Genetics and Syndromes with Patellofemoral Disorders	5
	Siebre Tighelaar and Sander Koëter	
3	Detecting and Addressing Psychological Factors	19
	Richmond M. Stace	
4	Imaging Analysis of Patella Instability Factors	33
	Massimo Berruto, Paolo Ferrua, Daniele Tradati, Alessio Maione, and Eva Usellini	
5	Magnetic Resonance Imaging of the Patellofemoral Articular Cartilage	47
	Gergo Merkely, Betina B. Hinckel, Nehal Shah, Kirstin M. Small, and Christian Lattermann	
6	Computed Tomography and Arthro-CT Scan in Patellofemoral Disorders	63
	Paolo Ferrua, Daniele Tradati, and Massimo Berruto	
7	The Role of Tibial and Femoral Rotational Torsion Abnormalities in the Treatment of Patellofemoral Dysfunction	71
	Trenton Cooper and Elizabeth A. Arendt	
8	Pathophysiology of Anterior Knee Pain	93
	Vicente Sanchis-Alfonso, Cristina Ramírez-Fuentes, Esther Roselló-Sastre, Scott F. Dye, and Robert A. Teitge	
9	Patellofemoral Pain Syndrome: The Value of Single Photon Emission Computerized Tomography and Conventional Computerized Tomography (SPECT/CT)	117
	Dominic T. Mathis, Helmut Rasch, and Michael T. Hirschmann	
10	Non-operative Treatments for Patellofemoral Arthritis	133
	Katherine Connors, Abigail Pyne, and Sabrina Strickland	

11	Is There a Surgical Treatment of Patellofemoral Pain?	149
	Vicente Sanchis-Alfonso, Cristina Ramírez-Fuentes, Joan Ferràs-Tarragó, and Robert A. Teitge	
12	Anatomic Instability Factors: Principals and Secondary for Patellar Instability	167
	Stefano Zaffagnini, Nicola Pizza, Giacomo Dal Fabbro, Massimo Pirone, Luca Macchiarola, Gian Andrea Lucidi, Federico Stefanelli, and Alberto Grassi	
13	Influence of Risk Factors in the Natural History.	183
	Elizabeth A. Arendt	
14	History and Clinical Examination of Patellofemoral Instability.	187
	Simon Donell and Iain McNamara	
15	First-Time Dislocation: How to Deal with It	199
	Petri Sillanpää	
16	Medial Patellofemoral Anatomy: Surgical Implications in Patellofemoral Instability.	207
	Miho J. Tanaka and Jorge A. Chahla	
17	Medial Retinaculum Reefing for Patellar Instability	219
	Alfredo Schiavone Panni, Giuseppe Toro, Annalisa de Cicco, Ciro di Fino, and Adriano Braile	
18	Medial Patellofemoral Ligament (MPFL) Reconstruction	225
	Andrew P. Hurvitz, Najeeb Khan, and Donald C. Fithian	
19	Medial Patellotibial Ligament: Clinical Application and Surgical Reconstruction for Patellar Stabilization.	239
	Betina B. Hinckel, Stefano Zaffagnini, and Elizabeth A. Arendt	
20	Tibial Tubercle Osteotomies: Indications and Results	251
	Julian A. Feller	
21	Tibial Tubercle Anteromedialization Osteotomy	265
	Scott Kuzma, David C. Flanigan, and Robert A. Magnussen	
22	Tibial Tubercle Osteotomies: Techniques and Distalization	277
	C. Batailler, S. Lustig, and E. Servien	
23	Tibial Tubercle Osteotomies: Techniques and Medialization	283
	Vincenzo Condello, Marco Bonomo, Marco Collarile, Arcangelo Russo, Francesca De Caro, and Vincenzo Madonna	
24	Complications of Tibial Tubercle Osteotomies.	295
	Marc Tompkins and Jeffrey Macalena	
25	Trochleoplasty: Indications and Results.	303
	J. Michael Smith, Jeremy K. Rush, S. Evan Carstensen, and David R. Diduch	

26	Patellofemoral Pain, Instability, and Arthritis Trochleoplasty Techniques: Arthroscopy	313
	Lars Blønd	
27	Trochleoplasty Techniques: Sulcus Deepening acc. Bereiter	323
	Florian Dirisamer and Christian Patsch	
28	Trochleoplasty Techniques: Deepening Lyon	329
	Sebastiano Vasta, Pedro Castelhanito, and David Dejour	
29	Lengthening Osteotomy with or Without Elevation of the Lateral Trochlear Facet	335
	Roland M. Biedert	
30	Trochleoplasty Techniques: Recession Osteotomy	343
	Nicolas Pujol and Philippe Beaufils	
31	Trochleoplasty Techniques: Complications	349
	Sandro F. Fucentese	
32	Lateral Release of the Lateral Patellar Retinaculum: Literature Review for Select Patellofemoral Disorders	353
	Alfredo Schiavone Panni, Michele Vasso, G. Toro, A. Braile, and C. Di Fino	
33	Surgical Rehabilitation for Select Patellar Stabilizing Procedures	359
	Elizabeth Niemuth and Jill Monson	
34	Designing a Rehabilitation Programme for the Patient with Patellofemoral Pain	379
	Joanna Stephen, Caroline Ephgrave, Simon Ball, and Sam Church	
35	Obligatory Dislocators, Dislocation in Flexion	399
	Frederick Weitz	
36	Is There an Indication for Patella Osteotomies?	403
	Matteo Marullo and David Dejour	
37	Is There an Indication for Correcting a Valgus Knee?	411
	Philip P. Roessler and Alan Getgood	
38	Simple to Complex Cases	421
	Elizabeth A. Arendt, Stefano Zaffagnini, Florian Dirisamer, and Raimundo Vial	
39	Isolated Patellofemoral Osteoarthritis: Natural History and Clinical Presentation	435
	Marco Valoroso, Giuseppe La Barbera, and David Dejour	
40	Techniques for Cartilage Restoration in the Patellofemoral Joint	449
	Luca Andriolo, Alberto Poggi, Roberto De Filippis, Stefano Zaffagnini, and Giuseppe Filardo	

41 Isolated Patellofemoral Unipolar Cartilage Lesions: When to Intervene.	461
Charles A. Baumann, Betina B. Hinckel, Jack Farr, and Andreas H. Gomoll	
42 Partial Lateral Patella Facetectomy and Management of the Lateral Soft Tissues	479
Seth L. Sherman, Joseph M. Rund, and Jack Farr	
43 Arthroplasty Design of the Patellofemoral Joint	497
Pieter Jordan Erasmus and Kyung Jin Cho	
44 Indications for Patellofemoral Arthroplasty in Isolated Patellofemoral Arthritis	507
Daniel Hurwit and Sabrina Strickland	
45 Complications of Patellofemoral Arthroplasty.	511
Laurel A. Barras and Diane L. Dahm	
46 Review of Patella Disorders in Skeletally Immature Patients.	521
Lindsay Schlichte and Daniel Green	
47 Specific Procedures for Pediatric Dislocation.	531
Sreetha Sidharthan, Daniel Green, and Marie Askenberger	
48 Trochleoplasty in Children and Adolescents	545
Manfred Nelitz	
49 Patellar Tendon Shortening	551
Jack Andrish	
50 Tibial Tubercle Procedure: Old Osgood-Schlatter	557
Gerd Seitlinger and Hannah N. Ladenhauf	
51 Derotational Osteotomies in Patella Instability	563
René El Attal and Peter Kaiser	
52 Guided Growth Surgery.	579
Petri Sillanpää
