

OZONE

A NEW MEDICAL DRUG

VELIO BOCCI

TABLE OF CONTENTS

	INTRODUCTION.....	1
CHAPTER 1	PHYSICAL-CHEMICAL PROPERTIES OF OZONE. NATURAL PRODUCTION OF OZONE. THE TOXICOLOGY OF OZONE	5
CHAPTER 2	HOW OZONE IS GENERATED AND ITS CONCENTRATIONS MEASURED?	9
CHAPTER 3	PREPARATION OF OZONATED WATER AND OIL FOR THE TOPICAL THERAPY. OZONE AS A DRINKING WATER DISINFECTANT. OZONE DISINFECTION TO PREVENT NOSOCOMIAL INFECTIONS.....	12
CHAPTER 4	HOW DOES OZONE ACT? HOW AND WHY CAN WE AVOID OZONE TOXICITY?	19
CHAPTER 5	HOW IS OZONE ADMINISTERED?.....	29
CHAPTER 6	THE ACTUAL SIX THERAPEUTIC MODALITIES.. 1. Major ozone autohaemotherapy (AHT) 2. Minor ozone autohaemotherapy..... 3. The biooxidative therapy with hydrogen peroxide dissolved in the glucose solution. The continuous search of an efficacious blood's substitute..... 4. Rectal insufflation of oxygen-ozone (RI) ... 5. Quasi-total body exposure to oxygen-ozone (BOEX)	37 37 42 44 49 56
	6. Extracorporeal blood circulation against oxygen-ozone (EBOO).....	66
CHAPTER 7	THE POTENTIAL TOXICITY OF OZONE. SIDE EFFECTS AND CONTRAINDICATIONS OF OZONE THERAPY	75
CHAPTER 8	IS OZONE REALLY A "WONDER DRUG"?	85
CHAPTER 9	THE CLINICAL APPLICATION OF OZONE THERAPY	97
	1. Infectious diseases (bacterial, viral, fungal, parasitic)	100
	1.1 Viral infections	107
	1.1.1 HIV-1 infection	109

	1.1.2 Chronic Hepatitis B and C.....	111
	1.1.3 Herpetic infections and Herpes Zoster.....	115
	1.1.4 Papillomavirus Infections (HPV)	120
	1.1.5 The common cold.....	121
	2. Ischaemic diseases (hind-limb ischaemia, cerebral and heart ischaemia, venous stasis)	122
	3. Retinal degenerative disorders	132
	4. Neurodegenerative diseases	144
	5. Autoimmune diseases. Can ozone-therapy do better than antibodies to TNF alpha?	149
	6. Ozone therapy in cancer.....	162
	7. The dysmetabolic syndrome and ozonotherapy.....	175
	8. Is any haematological disease treatable with ozone therapy?	182
	9. Can ozone therapy slow down the progression of oxidative stress in renal diseases and haemodialysis?	188
	10. Dermatological diseases and ozone therapy	191
	11. Ozone therapy in pulmonary diseases.....	193
	12. The problems of tinnitus and sudden hearing loss (SHL). Is ozone therapy of any help?	197
	13. The paradoxical effect of ozone in orthopaedic diseases. The problem of back- ache	198
	14. A therapeutic option for chronic fatigue syndrome (CFS) and fibromyalgia	208
	15. Ozone therapy in emergency situations, before transplantation and elective surgery	214
	16. Ozonotherapy in dentistry and stomatology.....	215
	17. Ozonotherapy in cosmetology.....	218
	18 May ozone represent the elixir of life?	220
CHAPTER 10	THE DILEMMA BETWEEN HYPERBARIC OXYGEN THERAPY (HOT) AND OZONE THERAPY	227
CHAPTER 11	THE PROMISING FUTURE OF OZONE THERAPY IN MEDICINE	231
	REFERENCES.....	235
